(www.ShepherdsCrook.org)

Shepherd's Crook Golf Course is an 18 hole championship course. It's located on Greenbay Road, 1/2 mile south of Russell Road.

The course features wide bent grass fairways and large undulating greens. Its design fits naturally to the terrain and feels like it has always been part of the landscape. The fairways are separated with moundings of native prairie grasses. There are a few water hazards and natural wetland areas to make every golfer a little cautious.

Course conditions as well as reasonable greens fees make Shepherd's Crook a very popular golf course during our opening season. Again this year we are accepting outings as well as leagues and expect to have a very busy season. The clubhouse is available for golf outings, as well as private parties.
